[Placed in Library See No. LT 2820/92].

[THE DEPUTY CHAIRMAN IN THE CHAIR]

SHRI YASHWANT SINHA (Bihar) : Madam on this the point I am making is that every day in this House some Minister or the other is correcting answers to (ho questons. I think this is a very seri-OJS matter. The Minister should be more careful in replying to the questions in Parliament and every day there should not

be a correction. This has become a regular item on the agenda correcting some reply or the other.

SHRI VIREN J. SHAH (Maharashtra) : Yesterday also I had mentioned about it . . .*{Interruptions)...*

THE DEPUTY CHAIRMAN : Mrs. Alva wants to say something.

SHRIMATI MARGARET ALVA : We gave information to the Parliament on the basis of answers we receive from the State Governments. After some time, we ourselves discovered that the information given by the Governments was not correct. When we saw the dates on which they came on deputation, the information given by them was not found to be correct. So we looked into it and found that there was a difference in the dates, which we are correcting now.

THE DEPUTY CHAIRMAN : Mrs. Alva has given her explanation.

SHRI CHATURANAN MISHRA (Bihar) : This has become a regular practice. The Minister should be more careful in future. They must do their home work before giving replies to the questions in Parliament.
